Consent for Treatment

I understand that acupuncture and Traditional Chinese Medicine treatment modalities (such as Tui Na massage/acupressure, moxibustion, Gua Sha, cupping, auricular acupuncture and seeds, electro-acupuncture and heat therapy) are safe and effective for the prevention and treatment of a wide range of health problems, as well are for the promotion of general well-being. I understand that Traditional Chinese Medicine may be helpful to my health condition, but is not intended to replace or substitute any conventional medical treatments, tests, prescriptions, etc. that are recommended by a physician. I am aware that the acupuncturist does not diagnose illness or disease and does not prescribe medication. I acknowledge that the acupuncturist cannot guarantee the results of the proposed treatment.

I have informed the acupuncturist of all my known physical and emotional conditions, medical conditions and medications and I will keep the acupuncturist updated on any changes in my condition. I understand that my full and frank disclosure of my problems and symptoms and honest answers to questions asked are crucial to the acupuncturist's ability to provide me with accurate information and effective treatment. I understand that there shall be no liability on the acupuncturist's part due to my forgetting to relay any pertinent information.

I understand that any medical treatment involves some risks. I consent to receiving treatment and I voluntarily accept the risks involved with acupuncture and traditional Chinese medicine care such as bruising, post needling sensation, fainting, minor bleeding, etc.

I have read this form in its entirety and fully understand this form. I have had the opportunity to ask questions about the content of this form. By signing below I agree to the above named procedures and hereby exempt the acupuncturist from all liability that may occur in connection with the above-named procedures. I intend this consent form to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment. I understand that I have the right to withdraw my consent at any time.

Treatments at Best Health Acupuncture & Wellness Clinic are performed by Registered Acupuncturists who are members in good standing with The College of Traditional Chinese Medicine Practitioners and Acupuncturists of Ontario (CTCMPAO).

For clinic Best Health Acupuncture to collect and release my general patient or medical information to other medical or health care providers, emergency personnel and/or and other relevant organizations.

In terms of information, the Clinic may collect any of the following:

- Contact information
- Personal or family medical history
- Medical insurance or billing/account information

In case of emergencies or life threatening situations, medical or support staff workers may have to collect this information from my family members or other listed contacts without your prior written consent.

How Your Information Will be Used

Your personal information can be used or disclosed for the following reasons:

- Referring your medical history to another health care practitioner
- To seek advice for potential treatment options
- To prevent or assist patients in case of emergencies or threat to their health and safety
- To fulfill any obligations mandated by law.
- To direct and guide treatment and program of care

Patient Access to Information

I understand that my personal and medical history is available to me for my review under most circumstances. Cases where access to records can be limited are:

- In cases where access to information causes threat to your life or personal health
- Where the law disallows access to information
- In the event where disclosure of information relates to any anticipated or actual legal proceedings or professional conduct proceedings

Acknowledgment

I allow for medical personnel to use and disclose my information as outlined above.

I understand that I can access my personal health information except as outlined above.

I understand that I can withdraw my consent at any time, but it may directly affect the services I can receive. My personal information can still be used/disclosed if mandated by law.
